

DANGER 5G HEALTH ALERT

5G - SOME IMPERATIVE INFORMATION...

And how it relates to what is going on in this world today, as we were forewarned.

"No enactment of law can be considered law unless it conforms to The Laws of God" Sir William Blackstone

Italian Renaissance Niccolo Machiavelli wrote in The Prince one of the most influential political works of all time that governments are created to lie to the greatest number of people the greatest amount of time. And why do governments lie? Why to cover up their previous lies in order to protect the perpetrators of course.

From Titles purposely designed to deceive jahtruth.net

Some of the perpeTRAITORS we will be referring to here are the telecom companies the FCC and the "stakeholders" politicians and lawyers etc., who have turned a blind eye or sold themselves to serve mammon \$\$\$, rather than God and his Royal Laws of Liberty.

In 1996 President Bill Clinton signed into law the Telecommunications Act. Section 704 of said law states that :

NO HEALTH OR ENVIROMENTAL CONCERN CAN INTERFERE WITH THE PLACEMENT OF TELECOM EQUIPMENT ... (5G).

Only a law written by satan and his minions could be so sinister and devious. And what men would considerate it? And what kind of man wouldn't fight against something so dangerous to the community?

T.H.E.Y. (The Hierarchy Enslaving You)

"They are insane and they are destroying this planet"

As Jah has stated in His article The Reason Why , The book of Enoch warned us of this thousands of years ago and that is why it was removed by the churches, because it proves their doctrine wrong. We are told in Deuteronomy 28 that if we follow the Law we will be blessed and if we don't follow the Law then EVIL GREEDY men will make up their own laws to suit themselves and that the land would fail, and we will suffer slavery, oppression, pestilence, disease, famine and death.

This is exactly what is happening now. And 5G plays a significant role.

What is 5G, well if you listen to the industry insiders they will tell You it's the next generation... a faster way to connect and upload videos and what ever else they shovel onto to manure pile.

But what else is 5G? Is it connected to the IOT? Are there numerous patents that classify it as a weapon, (different kinds of weapons?) Does it have any connection to DARPA Rand and the Military Industrial Complex? Is it connected to the Company (CIA Vatican Monarch)? What else could T.H.E.Y possibly have in mind when utilizing this technology?

Lets hear from some experts as to what they say 5G is.

“Putting 10’s of millions of 5G antennas without a single biological test of safety has to be about the stupidest idea anyone has had in the history of the world. “ Dr. Martin Pall

Dr. Martin L Pall, PhD Professor Emeritus of Biochemistry and basic Medical Sciences, Washington State University
Author of

5G: Great risk for EU, U.S. and International Health! Compelling Evidence for Eight Distinct Types of Great Harm Caused by Electromagnetic Field (EMF) Exposures and the Mechanism that Causes Them.

Here are just a few:

1. Three types of cellular DNA attacks, producing single strand breaks in the cellular DNA...
2. A wide variety of changes leading to lowered male fertility, lowered female fertility, increased spontaneous abortion, lowered levels of estrogen, progesterone and testosterone, lowered libido...
3. Neurological/neuropsychiatric effects(25reviews)... sleep disturbance/insomnia; fatigue/tiredness; headache; depression/depressive symptoms; lack of concentration/attention/cognitive dysfunction; dizziness/vertigo; memory changes; restlessness/tension/anxiety/stress/agitation; irritability. These findings are not just based on epidemiological findings but are also based on profound impacts of EMFs, at levels well within our safety guidelines
4. Apoptosis/cell death (13reviews).The two most important consequences of large increases in apoptosis (programmed cell death) are in causation of the neurodegenerative diseases and lowered reproduction although there are others.
5. Oxidative stress/free radical damage (19reviews).Oxidative stress has roles in all or almost all chronic diseases...
6. Widespread endocrine (that is hormonal) effects (12reviews)...
7. Increases in intracellular calcium ($[Ca^{2+}]_i$) levels following EMF exposure...
8. Cancer causation (35reviews)...
9. Therapeutic effects of such EMFs. Such EMFs when focused on a specific region of the body where there is some dysfunction and when used at specific intensities, can have therapeutic effects. In my 2013 paper [4], I cited 12 different reviews where EMF stimulation of bone growth was used therapeutically. There are something like 4000 papers on various therapeutic effects. Strangely, the telecommunications industry does not acknowledge these therapeutic effects, preferring rather to maintain the fiction that there are no non-thermal effects...

There is another set of reviews, 13 in this case, with each showing that pulsed EMFs are, in most cases, much more biologically active than are non-pulsed EMFs. This is particularly important because all wireless communication devices communicate via pulsations, making them potentially much more dangerous. It follows from this that if you wish to study the effects of Wi-Fi, cell phones, cordless phones, cell phone towers, smart meters or 5G, you had better study the real thing or at least something that pulses very much like the real thing.

More than 244 scientists from 41 nations have signed an international appeal to the United Nations and Who (World Health Organization) to warn the public about the health risks caused by electromagnetic fields (EMF) including radiofrequency radiation and specifically cellular radiation from phones and base station towers and antennas.

Unfortunately looking to the United Nations or any other alphabet organization rather than looking to God leads to your destruction.

EZEKIEL 13 (EXTRACT)

Because the "foolish prophets" (politicians) have seduced My people, saying peace; and there was no peace and one built a wall (N.A.T.O. and U.N.O.) and others daubed it with untempered mortar (non-hardening/ useless cement), say to them it shall fall.

The Four Horsemen of the Apocalypse and the Two Witnesses <http://jahtruth.net/horse.htm>

There have been numerous testimonies before congress and the senate

From Drs, physicists, engineers, and many other professionals in various fields including the Department of Defense, NOAA, The Environmental Health Trust, The Department of Interior, The national Institute of Standards and Technology, etc., and the list goes on. Hundreds of thousands of people from around the world have contacted government officials to let them know that they do NOT want these cancer causing weapons any where near them or their community.

Senator Patrick Colbeck of Michigan has stated how absolutely dangerous this technology is. He also stated "The FCC is staffed by former members of the telecommunication industry, THAT'S A FOX GUARDING THE HEN HOUSE."

Just recently Senator Blumenthal was hearing from industry insiders, about the health effects or safety implications, he wanted to know how much money the industry spends on independent research in regards to these effects, (biological) and the answer was NO INDUSTRY STUDIES AND NO MONEY. ZERO!!!

Blumenthal said "So were flying blind here as far as health and safety are concerned?"

(can anyone not see how the lunatics have taken over the asylum).

Isaiah

42:67 I the "I AM" God have called thee into righteousness, and I will hold thine hand and will help thee, and give thee for a covenant of the people - a light to the gentiles.

42:7 To open blind eyes to bring out the prisoners from this prison planet and them that sit in the darkness of this prison house.

I think Harry V. Lehmann said it best in a letter to Assembly member Marc Levine dated 9/6/2017, where he said "Our opposition is strongly grounded in science not in emotion, and if SB 649 is allowed to passed by our assembly then MASS CRIMES AGAINST HUMANITY WILL LIKELY RESULT DUE TO RADIATION EXPOSURE AS YOU ARE HEREBY NOTIFIED AND WARNED.

ENOCH:

42:1 Wisdom found no place on earth where she could inhabit; her dwelling therefore is in heaven.

42:2 Wisdom went forth to dwell among the sons of men, but she found no place to live. Wisdom returned to her place, and seated herself in the midst of the angels. But inequity went forth after wisdoms return, who unwillingly found a place to live everywhere, and resided among them (mankind), and was soaked up greedily by them, like rain on a desert and dew on a thirsty land.

HABAKKUK:

2:12 Woe unto him that buildeth a town with blood and stablish a city by inequity.

According to Mr. Steele from the United Kingdom who designs weapons for the military, SMART or (Secret Military Arsenal and residential Radar Technology) is a genocidal weapon. Part of the IOT, (Internet of Things) where they can 3D map the inside of your home and track you everywhere. This technology has been classified as weapons such as DEWS or ADS (crowd dispersal weapons) There are numerous patents on this tech. and how it can be used as psychological weapons and much

more complex and evil uses for this. Many are concerned about the origins of these fires in California and if these weapons were used. There is a good video of Ms. Daly speaking of loosing her house to this kind of technology, on Stopthecrime.net

Chemtrails has a connection to this because what they are spraying into the atmosphere with these metal particulates or as NASA calls it Micro Dust Weaponry are inhaled thru the lungs and executes "various pathological missions" one of which is that YOU BECOME THE ANTENNA, A BEACON FOR THEIR RADAR TECHNOLOGY.

Mr. Barry Trower a Royal Navy Microwave weapons expert has stated "Any one who puts Wi-Fi into a school should be locked up for the rest of their lives. They are not fit to walk on this planet because they WON'T LOOK AT THE RESEARCH AND WHATEVER INCENTIVE THEY HAVE IS NOT WORTH THE GENETIC PROBLEMS THE PARENTS ARE GOING TO FACE"

He should know as he has stated that the governments use this weaponry against dissidents as they used it on the Catholics during the times of trouble.

Boris Johnson Prime Minister of The United Kingdom has described the IOT (Smart cities) as a giant dark thundercloud lowering ever more and oppressively on the human race, a gathering force reshaping the future of humanity over which the future of humanity has NO CONTROL and from which in the future there will be nowhere to hide.

NO SAFE PLACE TO LIVE... "THEY PLAN TO BEAM HIGHLY PENETRATIVE 5G MILLIMETER WAVES AT US FROM SPACE MUST SURELY BE ONE OF THE GREATEST FOLLIES EVER CONCEIVED BY MANKIND. THERE WILL BE NO SAFE PLACE TO LIVE" Olga Sheehan former WHO employee.

2 Timothy:

3:13 But evil men and seducers shall wax worse and worse, deceiving and being deceived.

4:3 For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers having itching ears;

4:4 And they shall turn away [their] ears from the Truth, and shall be turned into fables.

The FCC is one of the most corrupt agencies on this planet. Harvard University has described them as a captured agency. Their funding comes from the industry they are supposed to be regulating. They rotate from "Industry Insiders" to working for the FCC to ensure their money keeps flowing.

What's interesting to note is that the "Government Tribe" address in Virginia is the same address as FCC & Verizon, This Government Tribe site also houses The Army The Navy The Airforce The Marines Raytheon Lockheed, etc. (The merger of Corporations and State)

The previous Commissioner Tom Wheeler has insisted that they will not wait for standards. Please watch this man on video and you can see the evil oozing out from him.

Willie Taylor from the Department of the Interior has stated that the FCC standards are outdated and continue to be based on thermal heating a "criterion 30 years out of date and inapplicable today. They are not a credible source for health exposure since they are not a health agency. Their main purpose is to protect the public and not the telecom industry, but it's just the opposite now.

In countries around the world they set radiation exposure limits for example Switzerland Luxemburg and Lichtenstein decided to set safety standards at 9.5

China Russia and Poland are at 10.0

Canada and the United States have set theirs at 600 - 1000 microwatts per millimeter squared. That's 10s of 1000's times higher than the level that can damage Health.

According to Dr Sharon Goldberg who did testify before congress at 0.1 its already an extreme concern, at 1.0 [laptop, Wi-Fi] sperm DNA fragmentation occurs, weakness difficulty breathing. At 2.5 altered calcium metabolism in heart muscle. At 4.0 changes in the hippocampus affecting memory and learning. And at 6.0 DNA damage in cells.

This is how these criminals at the utility companies and governments get away with forcing this on us.

ISAIAH:

5:20 Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet and sweet for bitter!

5:21 Woe unto [them that are] wise in their own eyes and prudent in their own sight!

Every one of these companies file with the Sec. and all are the same there are pages and pages of risks that they inform their investors of but they wont tell you. The insurance companies wont cover this technology because they know the truth as well. Please see risks at the Environmental Health Trust

Ezekiel:

22:25 [There is] a conspiracy of her prophets in the midst thereof, like a roaring lion ravening the prey; they have devoured souls; they have taken the treasure and the precious things; they have made her many widows in the midst thereof.

22:27 Her princes in the midst thereof [are] like wolves ravening the prey, to shed blood, [and] to destroy souls and to get dishonest gain.

22:29 And the people of the land have used oppression, and exercised robbery, and have vexed the poor and needy: yea, they have oppressed the stranger wrongfully.

Psalms:

10:2 The wicked in his pride doth persecute the poor. Let them be taken in the devices they have imagined.

10: He sitteth in the lurking places of the villages: In secret places doth he murder the innocent: his eyes are privily set against the poor.

ENOCH:

68:16 But by this, THEIR KNOWLEDGE (SCIENCE FALSLY CALLED), (1 TIMOTHY 5:20) THEY PERISH, AND BY THIS ALSO ITS POWER CONSUMES THEM.

THE LORD HAS STATED "ITS CALLED FASCISM-CORPORATISM - A MERGING OF CORPORATE AND GOVERNMENT POWERS" "AMERICA WAS SUPPOSED TO HAVE BEEN BUILT ON THE BIBLE AS A GOD - FEARING NATION. GODS LAWS PROHIBIT MEN FROM LEGISLATING:

Deuteronomy 4:2, 12:32

4:2 Ye shall not ADD unto the word which I command you, neither shall ye diminish [ought] from it, that ye may keep the Commandments of the "I AM" your God which I command you.

12:32 What thing I so ever command you, observe to do it: thou shall not add thereto, nor diminish from it.

There are more and more people becoming aware of this evil plot which is part of The United Nations depopulation plan.

All over the world moratoriums are being enacted to postpone this technology from being implemented in their communities.

Australia has banned the roll out of 5G, as it got an order of injunction against the telecom corporations for threat of harm.

Erin Brockovich's Law Firm has filed suit against the implementation of 5G and the FCC

The Danish are suing the State for the roll out of 5G

Switzerland is having opposition rallies all over the country.

Brussels halts 5G indefinitely

Many countries have banned this 5G madness from schools

Claire Edwards from Global Research has put together a list of many recent activities different nations and cities in this country are taking to stop this.

The Environmental Health Trust has a wealth of information on 5G

Activist Post is always updating 5G materials

The Bio Initiative Report clearly indicates the effects of this Radiation

Joel Moskowitz from Scientific America put out an article 10/17/2019
That this is not safe.

There is endless information proving the fact that this technology is not safe, however many of these telecom companies are suing the local governments over various issues including the right of way and if someone brings up health issues. This lays the burden on the towns who are already saddled with debt, and because most towns now have a lawyer sitting up front with their clock limiting you on what you can say or cannot say or even the amount of time you are allowed to speak. Just who in the hell do they think they are?

These lawyers and judges sit in Moses seat

From Slaves to the System jahtruth.net/syst.htm

The only way to stop these people is to prove their system wrong which they are already doing themselves by destroying the planet.

The only laws that apply are from God who is Truth an justice and Proven.

The original laws are kept in The Ark of The Covenant which is buried in a subterranean tomb at the Hill of Tara in Royal County Meath Ireland.

Once the Ark is recovered Gods Laws can be re-instated which will prove this evil beast system we are living under now is fraudulent as they were never allowed to make up their own laws. The wealth that T.H.E.Y. have stolen from you will be redistributed to the people. "And ye shall hollow the 50th year and proclaim liberty throughout the land unto the inhabitants thereof" It shall be a Jubilee unto you and you shall return every man unto his possession and ye shall return every man unto his family. (Leviticus 25:10)

The United States of America claim to be the land of the free, and a portion of the above quotation was inscribed on the Liberty Bell: Proclaim Liberty through out the land and to the inhabitants thereof"

But the rest of the law was omitted that's why the United States of America is in such trouble. As this nation has turned its back on God.

So in order to end all this madness The Stone of Destiny has to be returned to its rightful owner JAH and for The Ark of The Covenant to be removed from its resting place so that THE LORD can be crowned King of Kings and Lord of Lords.

Ezekiel:

21:26 Thus said The Lord "I AM" remove the diadem (sovereignty) and take off the crown" This shall not be the same exalt (him that is) low (line of Judah Zarah) and abase him that is high (Line of Judah Pharez)

21:27 I will overturn overturn overturn it: and it shall be no [more], [overturned] UNTIL HE COME WHOSE RIGHT IT IS, And I will give it;
(Him Christ - Shiloh) (Gen. 49:10)

The 1st overturn was from Judah/Pharez in Jerusalem to Judah Zarah, (of the red hand), (Gen. 38:2-30) at Tara County Royal Meath Ireland

The 2nd overturn was from Tara to Scotland and Fergus the Great

The 3rd overturn was from Scotland to England with Edward Longshanks

The 4th and final overturn started in 1950 when 4 Scottish Nationals removed The Stone of Destiny from Westminster Abby and took it fulfilling Christ's own prophecy to his Apostle John in Revelation to John 22:16 These things I Jesus sent my angel to testify to you these things in the communities I am the root (source) and the successor and The Bright Morning Star.

Christ has come to set up his kingdom on earth and to re-instate God's Laws

PLEASE LOOK AT THE EXTREMELY IMPORTANT AND IN DEPTH REPORT ON 5G FROM
GIBALTARMESSENGER.NET
<https://gibaltarmessenger.net/>

Gibraltar's Gamble with 5G

It is an in-depth report into a system that by all indication is rigged with pro-industry, pro-military, and pro-government guidelines. ...

...This report will shed some light on how the research is handled – and what the public usually hears in the end – "it's safe" (when it certainly is not safe, according to a multitude of scientists and doctors worldwide, and as presented in this report)...

Research being called "independent" is a matter of opinion, because much of it is funded by industries, governments or both. And independent scientists are being shunned for not walking the party-line – which is to address only short-term, thermal effects. Yet, the majority of scientists know there are non-thermal effects in short -and-long-terms...

... Economic growth has become ecological and biological devastation...

Rev. 9:11 And they had a king over them, [which is] the angel of the Bottomless Pit, whose name in Hebrew [is] Abaddon (Destroyer), but in Greek [his] name is Apollyon (Destroyer -Satan) .Rev. 11:18 And the nations were angry, and Thy wrath is come, and the Time of the "Dead", that they should be Judged, and that Thou shouldest give reward unto Thy Servants the Prophets, and to the holy people, and them that fear Thy name, small and great; and shouldest destroy them which destroy the earth. Matt.

24:22 And except those days should be shortened, there should NO flesh be saved: but for the Elect's sake those days shall be shortened (by Divine Intervention). It's wise to wager on the Bible, that has never been wrong. Everyone thinks they won't be around for the end. Odds are it's already happening.
